## **Terms & Conditions**

Prime Electrical & Exhibition Services LLC. (Hereinafter "Prime")

1. All orders are not complete unless accompanied with completed payment form.
2. Island Booths must submit a completed diagram with orientation of booth on the floor and measurements for placing power. No order for an island booth is complete without this information.
3. Prime reserves the right to adjust orders if a miscalculation of charges is apparent on the order form.
4. 120V service rates include delivery to the back of the booth to a single location.
5. 208v or larger are installed based on time and material of the install and dismantle plus the cost of the service requested.
6. Any connections required beyond the finished outlet will be charged for time and material. If you have a special need please contact Prime to discuss in advance of move in.
7. Exhibitor cords must comply with city electrical codes bear a UL tag must be minimum 14 gauge, 3 wire and grounded. No two wire extension cords or lights will be allowed.
8. Refunds will not be authorized if services are installed. Any disputes must be presented before close of show. No refunds will be given after show is moved out.
9. Exhibitor holds Prime harmless for any and all losses of power beyond Primes control, including, but not limited to, losses due to utility company failure, power failure due to vandalism, permanent power distribution failure, faulty exhibitor equipment or exhibitor overload of circuits.
10. Prime electricians are the only labor allowed to distribute power in the exhibit space as well as meeting space within the facility. Except where stagehands may be designated for production applications.
11. Unless otherwise directed Prime employees will cut access points in carpet in order to complete installation of cords in an exhibit space.
12. Unless a scaled floor plan is provided electric will be installed as the electrician on duty deems necessary or not at all until direction is given.
13. We will make every attempt to install power during straight-time. But will always charge prevailing rates at time of installation.
14. All equipment must be tagged with proper manufacture specifications and be in safe working order. Prime Electricians may deem equipment unsafe and Prime reserves the right to refuse final connection where exhibitor wiring or equipment is not in accordance to local laws and codes.
15. A service charge of 1.5% will be assessed on all unpaid balances starting 15 days after date of invoice. A \$50.00 service charge will be assessed for all returned checks and credit cards. All funds U.S. currency. Exhibitor agrees to pay Prime all applicable rental or sales tax.

**Use the grid below to indicate the location of each electrical outlet ordered. If power is only required at the rear of an in-line booth this form is not necessary.**

Indicate booth type: Island ☐ Peninsula ☐ Inline ☐ Provide aisle or adjacent booth #'s for orientation

Power is brought to one location in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend below:

**X** = Main Distribution Point    = 5amp/500watt    = 10amp/1000watt    = 15amp/1500watt    = 20amp/2000 watt

Indicate the layout scale and total square footage. Example: 1 Square = 1 Foot

\_\_\_\_\_ Square = \_\_\_\_\_ Ft      Total Square Footage = \_\_\_\_\_

Adjacent Booth or Aisle # \_\_\_\_\_

[illegible]

Adjacent Booth or Aisle #

Adjacent Booth or Aisle #
